

Medical Care
QUADRANT Case Management

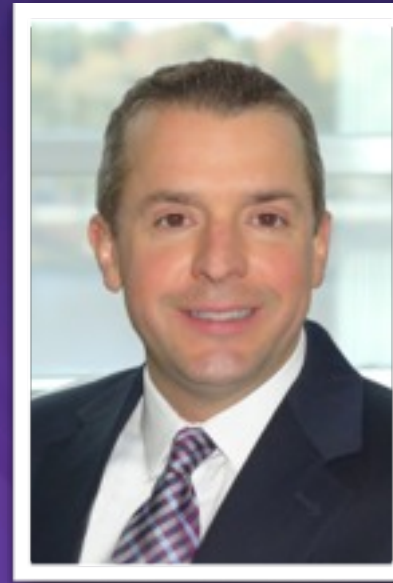

When you need to take action re: an ill or injured worker, where can you turn for experienced medical case management?

Quadrant's Medical Care Case Managers:

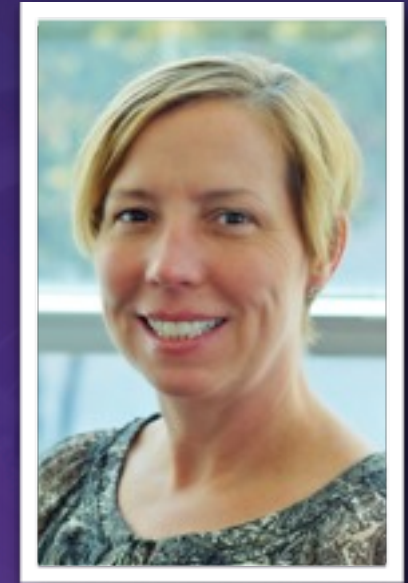

- ★ Assure early medical intervention, assessment and diagnosis
- ★ Link the client to the appropriate service
- ★ Coordinate and monitor service delivery to:
 - Reduce medically-unnecessary absence from work
 - Encourage medical provider/s to deliver more value by preventing medically unnecessary disability
 - Provide efficient and effective medical care
 - Improve medical outcomes and appropriate Return-To-Work
